INCLEMENT WEATHER POLICY FOR ALL SPECTATORS

Observe the Leaderboards throughout the golf course for the "Weather Warning" signs (symbol above) that will appear if The PGA of America becomes aware of inclement weather moving into the area. When this sign appears, spectators are advised to take precaution and seek shelter PRIOR to play being suspended. If the air horn sounds, put down your umbrella and seek shelter immediately. Due to fire marshal regulations, the site will not be able to shelter all Ryder Cup spectators (including spectators holding tickets which provide access to the tented hospitality areas). Your best option may be to return to your vehicle or to the shuttle buses. Readmission to the grounds will be permitted if the Weather Warning signs are posted on any day. Please remember to avoid the following in the event of inclement weather:

- Grandstands
- Telephone Poles
- Golf Cars
- Bodies of Water
- Metal Fences
- Metal Spiked Shoes
- Hilltops & High Places
- Open Fields
- Tall & Isolated Trees
